Engineering Department

The Maple Heights Engineering Department continues to seek and secure outside funding to reconstruct our infrastructure and recreational facilities.

Over \$6,000,000 in outside funding was committed towards 2023-24 projects.

- Southwest Quadrant Sewer Repairs

- Franklin Avenue Water Main Replacement
- Hillgrove Avenue Water Main Replacement

ABOVE - 2023/24 Asphalt Pavement Repair Program

Longvale-Woodbrook & Lee Road Reconstruction in Progress

Engineering Department

The Cleveland Water Department awards funding for water main replacement projects in suburban cities through the Suburban Water Main Renewal Program (SWMRP). The City of Maple Heights continues to work with the Cleveland Water Department to provide an additional funding mechanism to help replace deteriorated water mains.

2023 Cleveland Water SWMRP Projects

Franklin Avenue: \$894,000 SWMRP Award

2024 Cleveland Water SWMRP Projects

Hillgrove Avenue: \$910,000 SWMRP Award

2025 Cleveland Water SWMRP Projects

Libby Road: \$500,000 SWMRP Award (Est.)

Engineering Department

The Maple Heights Engineering Department continuously coordinates with the Cuyahoga County Department of Public Works to maintain our sewers. Approximately \$2,215,000.00 was committed towards our sewer maintenance in 2023

House Service – 835 Calls

High Pressure Jet Cleaning Sanitary – 15,303 Feet Storm – 2,198 Feet

City of Maple Heights

2023 Operating Expenses

Activity	Cost
1. Maintenance of Sanitary Sewerage Systems	\$1,611,639
2. Pump Station Operation and Maintenance	\$12,643
3. Engineering and/or Inspection	\$119,175
4. Capital Expenses (See Section A-6 if any)	\$471,305

Total Operating Expenses: \$2,214,762

Television Inspection Sanitary – 12,494 Feet Storm – 1,785 Feet

Catch Basins Cleaned – 107

Engineering Department

The City of Maple Heights has adopted a systematic approach to fund sewer infrastructure improvements that benefit human health and the environment. In 2023/2024 the City secured over \$6,000,000 in outside funding from the Northeast Ohio Regional Sewer District, the Ohio EPA, and the Ohio Public Works Commission to help repair our sewers.

Southwest Quadrant Sewer District (2021-Present)

These projects address inflow and infiltration (I/I) problems by rehabilitating sewer pipes and manholes, removing direct inflow connections, and repair/replace/line cracked or exfiltrating sanitary and storm sewers. The improvements reduce local sewer flooding and backups that can be attributed to undersized or structurally deficient sewers.

Annual Roadway Repair Program

The City Engineer has worked with the administration to help develop a methodology for selecting the streets to be repaired that eliminates any bias. The following factors are considered when finalizing the list of streets to be resurfaced/repaired under the annual Maple Heights Roadway Repair Program:

- 1.) PAVEMENT CONDITION
- 2.) AVAILABILITY OF GRANT FUNDING
- 3.) EQUITABLE DISTRIBUTION OF ROADWAY CAPITAL FUNDS
- 4.) TOTAL AMOUNT OF LOCAL FUNDS AVAILABLE

2023 ROAD REPAIRS

Street	Length	Limits	Existing	Description of Work
E. 146 th Street	484'	Rochelle Drive to Janice Drive	Concrete with Asphalt Overlay	Planing, Repairs, Chip Seal, 301, Chip Seal, Fog Seal

Turney Road	5,700'	Lee Road South to Maple Heights City Limit	Concrete with Asphalt Overlay	Repairs
Schreiber Road	2,770'	Maple Heights City Limit to Dunham Road	Concrete with Asphalt Overlay	Repairs

The City of Maple Heights will have completed over \$4,000,000 worth of roadway repair work in 2023 and 2024 when combined with the road resurfacing work on other infrastructure projects.

Engineering Department

COUNTY ROUTE RECONSTRUCTION PROJECTS

The Administration continuously collaborates with the Cuyahoga Department of Public Works, Ohio Department of Transportation (ODOT) and the Northeast Ohio Areawide Coordinating Agency (NOACA) to reconstruct and resurface County Routes throughout the City of Maple Heights. The reconstruction work consists of concrete pavement base repairs that will be followed by the installation of an asphalt overlay. The projects also include the replacement of existing curb ramps with new ADA compliant curb ramps.

2023 - Dunham Road: The 1.8 mile section of Dunham Road between Turney Road and Libby Road was reconstructed at a cost of approximately \$2.75 million dollars. Funding included \$588,000 of Ohio Public Works Commission funds with the balance of cost to be split between the Cuyahoga Department of Public Works (80%) and the City of Maple Heights (20%).

2025 - Rockside Road: The 1.5 mile section of Rockside Road between E.141st Street and the N&S Railroad bridge will be reconstructed at a cost of approximately \$3.2 million dollars. Funding includes \$2.35 million through NOACA with the balance of cost to be split between the Cuyahoga Department of Public Works and the City of Maple Heights.

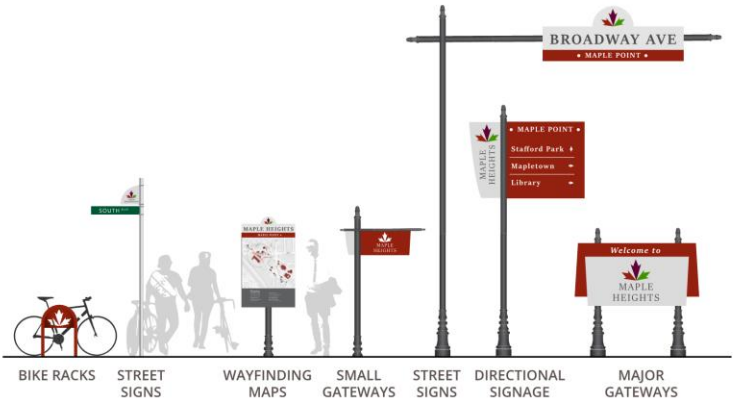

2026 - Lee Road Bridge: The Cuyahoga Department of Public Works is currently working on plans to reconstruct the Lee Road bridge over Mill Creek located just south of Interstate 480. The project cost will be funded 100% by Cuyahoga County and ODOT.

Finance Department

PERFORMANCE

The Finance Department's goal is to continue raising the bar on compliance and transparency to serve the City, its residents, and shareholders.

Finance Department

REPORTING

Transparency

- Departments have real-time access to encumbrance balances, requisitions, purchase orders, and payment processing updates.
- Departments receive notifications via email of changes and updates to their orders and contracts.

Security

- Vendor files and documentation to support requisitions and purchases are attached to each record and stored securely in the accounting system.

Finance Department

BUDGETING

Transparency

- Expense and Revenue Reports are made available monthly via Ohio Checkbook and The City of Maple Heights' website.
- Detailed expense reports and audit trails are readily available for review through Visual Intelligence Portfolio.

Position Update

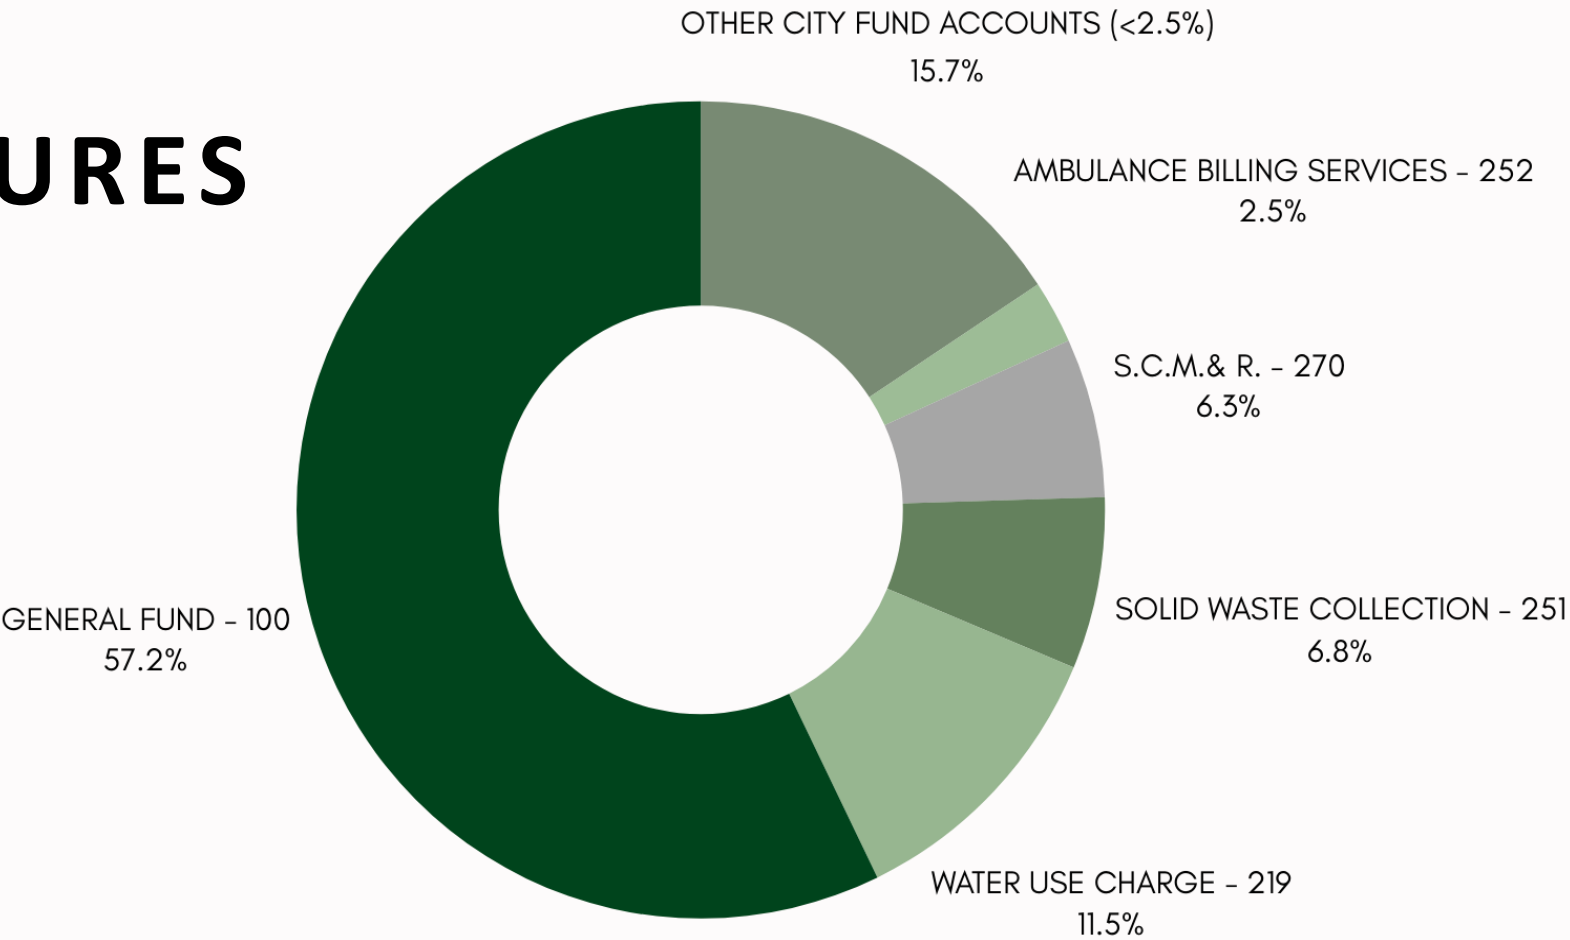

- YTD total revenue earned is more than 17% above target projected amount and total expenses are less than 2% above projected amount, as of August 2024.
- Continuing the trajectory of increasing General Fund balance from -\$2.4 million in 2014 to an unexpended balance of \$9.9 million as of August 2024.

Finance Department

CITY EXPENDITURES

Through July 2024; By Fund

Finance Department

2024 PROJECTIONS

Compliance

- Continued successful audit reports by utilizing technology to adhere to policies, procedures, and both state and federal regulations.

Finances

- Continued growth of the General Fund to further ensure the security of the City's financial position.
- Continued increase to Moody's Bond Rating, currently Baa2.
- Continued support of all City departments' progress and investments that improve The City of Maple Heights.

Fire Department

Serving the community with professionalism, integrity, courage, respect, dedication, and pride.

Fire Department

- An all hazards service providing emergency response, fire code enforcement, and safety education to the City.
- MHFD operates out of two fire stations, utilizing 36 personnel in the Operations Division and three in the Administrative Division.
- The department answered 5,950 calls for service in 2023.

Fire Department

Smoke Detector Program

- MHFD has partnered with the American Red Cross to provide **FREE** smoke detectors to residents.
- Firefighters install the smoke detectors, and residents receive information and safety tips during their visit.
- The American Red Cross provides the detectors at no cost to the City.

Fire Department

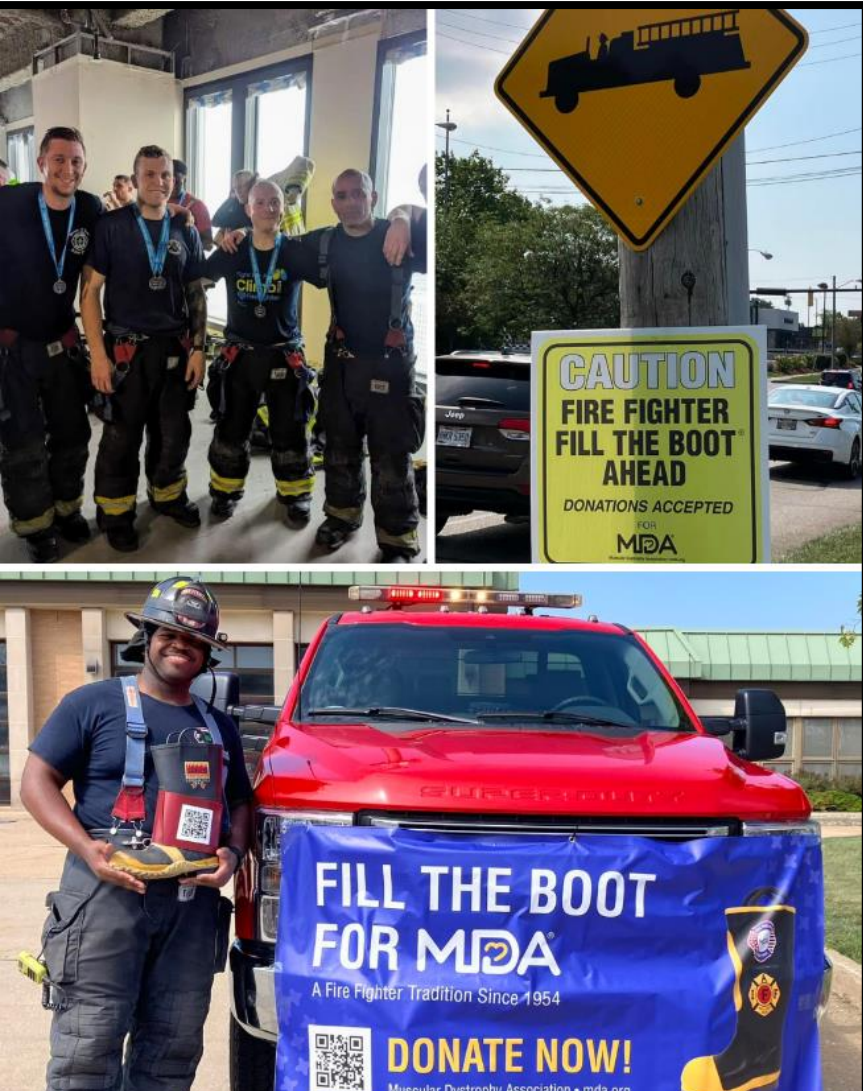

MHFD Community outreach

- Free child car seat installations at the fire station, as well as hosting Seat Check Saturday in September
- Touch-a-Truck event partnered with Rid-All Farmer Jones Market
- Fire Prevention Week in October for Maple Heights Schools and local daycares

Fire Department

Maple Heights Firefighters Local 1184 get out in the community and give back...

- \$2,300 raised for Muscular Dystrophy Association over Labor Day weekend
- \$3,000 raised for American Lung Association at the Fight for Air Climb.

Fire Department

Fiscal Responsibility

- Over the years, with support from the City Council and the Administration, MHFD has secured over \$1 million in grants to purchase equipment and staff personnel.

Fire Department

2024 Grants

FEMA

- In 2024, MHFD is fully staffing two firefighter positions utilizing a FEMA grant.
- Also, a FEMA equipment grant will allow the department to purchase five thermal imaging cameras to replace our current outdated models.

Human Resources

Human Resources Responsibilities

- Recruiting, selecting and retaining people
- Managing employee benefits & wellness
- Supporting employees and their families
- Employee and labor relations
- Creating and interpreting policies
- Compliance with employment regulations

Human Resources

Essential HR Strategies

- Control health benefits expense – regional consortium
- Attract and retain skilled people – total compensation
- Succession planning, training, development
- Improve efficiency, systems, processes
